

PHASE I

JUNE 2016 - MAY 2019

ASIA P3 HUB

Establish a respected incubator of multi-sector partnerships across Asia Pacific that generates value for all stakeholders

Build a sustainable and scalable model that supports the growing ecosystem for collaboration

Champion the power of combinatorial innovation: pooling resources of all kinds in new ways to co-create innovative solutions

HOW? 4 OPERATING MODELS

Match business solutions with market demand

- Match-making: skills philanthropy, engagement programmes, introductions
- Partner engagement

Co-create scalable solutions

- Co-curate, a social impact crowdsourcing platform
- "Innovating Beyond CSR" workshops & projects
- Research & multi-sector roundtables
- Combinatorial Innovation

Leverage World Vision assets & resources

- Provide "first mile" reach – emerging market insights & access
- First mile insights & data collection
- Market & behavioural insights
- Social franchising

Cultivate a partnering ecosystem

- Strengthen partnering capability
- Partnering Bootcamp
- Provide coaching, mentoring & assessment
- Industry & ecosystem partnerships
- Speaking engagements & events
